Dear Mr. Weisberg,

I picked up an old copy of your whitewash book at a flea market and it was extremely interesting. I have tried to find the rest of the whitewash series but have been unable to do so.

If you know where I could purchase the rest of the volumes I would appreciate it if you would let me know.

As I write this letter, it is 2 days until the 27th anniversary of President Kennedy's death. I don't think the American public realizes what it lost that day in Dallas. I know I get a lump in my throat when

I think of what might have been.
I know that you deserve a lot
of credit for keeping the Kennedy
assassination in the public eye.
America should be indebted to you.
I just want you to know that
even though I'm just an average
Joe, you have my greatest respect.

Thank you,
Noel Thorrkson
